Direct Equity Exit Results

Gross Multiple On Exits¹

¹ As of 28 February 2019. Data includes one announced 2019 exit based on the expected exit value and is subject to customary closing conditions. Includes full exits only. Excludes partial exits, recapitalisations and IPOs until the stock is fully exited. Year represents the year of final exit. Exit year for public companies determined by the date of the final cash flow. Proceeds include funds that are currently in escrow, but are expected to be received. Returns are presented on a "gross" basis (i.e. they do not reflect the management fees, carried interest, transaction costs and other expenses that may be paid by investors, which may be significant and may lower returns)

Valuation Uplift On Exits

~30% uplift from the valuation three quarters prior to exit¹

Uplift on Exits

1. As of 28 February 2019. Analysis includes ten IPOs, two partial exits, and eighteen full direct equity investment exits since January 2016. For investments which completed an IPO, the value is based on the closing share price on the IPO date; however NBPE remains subject to customary IPO lockup restrictions. Returns are presented on a "gross" basis (i.e. they do not reflect the management fees, carried interest, transaction costs and other expenses that may be paid by investors, which may be significant and may lower returns).
