

French version of the Universal Registration Document of Iliad S.A. now available

regulatory information

The French version of Iliad S.A.'s Universal Registration Document (the "*Document d'Enregistrement Universel*") has been approved on June 15, 2022 by the Commission de Surveillance du Secteur Financier ("CSSF").

The French version of this *Document d'Enregistrement Universel* has been approved by the CSSF for the purpose of the admission to trading on the Luxembourg Stock Exchange regulated market of debt securities with a par value equal to or higher than €100,000 (or the equivalent thereof in another currency).

The *Document d'Enregistrement Universel* notably includes the following:

- the report on corporate governance;
- the Statutory Auditors' reports on the consolidated and annual financial statements of Iliad S.A. covering the year ended December 31, 2021.

The *Document d'Enregistrement Universel* is available to the public free of charge in accordance with the applicable regulations. It can also be found on the Company's website at www.iliad.fr in the section entitled "Investisseurs> Information réglementée> Document d'enregistrement universel".

The English version of the Universal Registration Document will be available soon on the Company's website at <https://www.iliad.fr/en>.

About the Iliad Group

Created in the early 1990s, the Iliad Group (the “Group”) is the inventor of the world’s first triple-play box and has grown into a major European telecoms player, standing out for its innovative, straightforward and attractive offerings. Through Free in France, Iliad in Italy and Play in Poland, the Group has over 15,000 employees serving 41 million active subscribers, and generated €7.6 billion in pro forma revenues in 2021. In France, the Group is an integrated Fixed and Mobile Ultra-Fast Broadband operator and had 20.7 million retail subscribers at March 31, 2022 (13.7 million mobile subscribers and 7.0 million fixed subscribers). In Italy – where the Group launched its business in 2018 under the Iliad brand, becoming the country’s fourth mobile operator – it had over 8.8 million subscribers at end-March 2022. With the acquisition of the Polish mobile operator, Play, in November 2020, the Iliad Group became Europe’s sixth-largest mobile operator by number of subscribers (excluding M2M). And its acquisition of UPC Polska – which closed on April 1, 2022 – will make the Group a convergence leader in Poland.
