

## Atos positioned as a Leader in the 2024 Gartner® Magic Quadrant™ for Outsourced Digital Workplace Services report

**Paris, France – March 14, 2024** – Atos today announces that it has been positioned as a Leader by Gartner® in its 2024 **Magic Quadrant™ for Outsourced Digital Workplace Services (ODWS)**, based on its completeness of vision and ability to execute. This is the eighth consecutive year that Atos has been named a Leader in a Gartner Magic Quadrant report dedicated to Outsourced Digital Workplace Services (ODWS)<sup>1</sup>.

Atos' [Engaged Employee Experience](#) includes Outsourced Digital Workplace Services that provide a holistic, customized and integrated approach focused on persona based employee journeys. Atos ODWS enables employees to work from anywhere thanks to GenAI-enabled automated digital platforms. With connected and orchestrated HR, IT processes and digital workplace practices to ensure cohesive collaboration, employees feel supported, leading to higher engagement and performance, with consequently improved customer satisfaction and business profitability.

Environmental, Social & Governance (ESG) lies at the core of Atos' ODWS offering as proves the launch of a [sustainable digital workplace suite](#) designed to support organizations in reaching their CSR goals. This suite includes device lifecycle management and 20 "Tech for Good" services encompassing social value and accessibility criteria.

*"We believe this recognition testifies to our commitment to continuously develop a result-driven portfolio, highlighted by our significant achievements in the implementation of a GenAI platform to maximize employees' digital productivity and by the launch of solutions to decrease the environmental footprint of workplace devices and their usage. We are extremely proud to see our relentless engagement in developing people-oriented and sustainable services for our customers recognized by Gartner for the eighth year in a row"* said **Leon Gilbert, Senior Vice President – Global Head of Digital Workplace, Tech Foundations**.

[Tech Foundations](#) is the Atos Group business leading in managed services, focusing on hybrid cloud infrastructure, employee experience and technology services.

The 2024 Gartner® Magic Quadrant™ evaluated 18 service providers based on their ability to execute and completeness of vision.
