

JLT Mobile Computers receives order worth just over SEK 11M from American customer in the transportation segment

Växjö, Sweden, August 24, 2021 * * * **JLT Mobile Computers**, a leading supplier of reliable computers for demanding environments, today announced that its US subsidiary, after a long time of collaboration and tough competition, has been awarded a significant order from one of North America's largest companies within the transportation segment. The customer placed its first order in the second quarter of the year and has now issued a follow-on order worth just over SEK 11M. The order includes JLT's latest generation JLT6012™ vehicle-mount computer, with a multi-year service agreement. Since 2016, previous generations of JLT's products have been used by the satisfied customer. This consecutive order is a confirmation of continuous good demand and adoption of JLT's latest products. Deliveries are planned for this year.
