Members of the Nomination Committee	5,000
-------------------------------------	-------

Further, members of the Board of Directors may receive incentive-based remuneration under the Company's general guidelines for incentive-based remuneration to members of the Board of Directors and Executive Management, ref. article 16 of the articles of association. Each board member will be granted warrants equal to the value of USD 150,000 calculated at the share price on the day of grant.

The proposal by the Board of Directors to authorize the Board of Directors to issue warrants was adopted by the general meeting, and this resolution was incorporated as article 5F in the Company's articles of association. In accordance therewith the Board of Directors is until 03 April 2024 authorized, at one or more times, to issue up to 17,000,000 warrants, each conferring a right to subscribe for 1 share of nominal DKK 0.1 in the Company, and to implement the corresponding increase(s) of the share capital. The warrants can be issued to employees, executive directors and board members in the Company and its subsidiaries without pre-emptive subscription rights for the Company's shareholders. The exercise price for warrants, which are issued pursuant to the authorization, shall at a minimum correspond to the market price of the Company's shares on the date of issuance of the warrants.

The proposal by the Board of Directors to update the Company's remuneration policy including general guidelines for incentive-based remuneration to members of the Board of Directors and Executive Management was approved by the general meeting, and this resolution was incorporated in the Company's articles of association.

The proposal by the Board of Directors to authorize the Board of Directors to increase the share capital was adopted by the general meeting, and this resolution was incorporated as new article 6 in the Company's articles of association. In accordance therewith the Board of Directors is until 03 April 2024 authorized, at one or more times, to increase the share capital by cash payment up to nominally DKK 17,181,953.50 at market price by issuing new shares, each with a nominal value of DKK 0.1, with or without pre-emptive subscription rights for the Company's shareholders.

The general meeting granted the Board of Directors an authorization until the next annual general meeting for the Company to acquire the Company's own shares for up to 10 per cent of the Company's share capital at any time, provided that the acquisition, in accordance with the Danish Companies Act section 197, can be financed by the funds that may be distributed as ordinary dividends. The payment may not divide from the stock price at NASDAQ Copenhagen A/S with more than 10 per cent at the time of purchase.
