

Implementation of the share buyback program

Boulogne-Billancourt, February 20, 2026

As part of the implementation of its share buyback program, Renault Group has entrusted an investment services provider with a mandate to purchase a maximum number of 600,000 Renault shares, depending on market conditions, over a period running from February 20 up to and including February 25, 2026.

The purpose of such share buyback is to cover Renault's obligations in the context of the employee shareholding plan "Shareplan 2026".

The description of the share buyback program, as authorized by the Annual General Meeting of April 30, 2025, under the 22nd resolution, is detailed on page 353 of Renault Group's 2024 Universal Registration Document.
