

PRESS RELEASE

Share Buyback Transaction Details May 2 – May 6, 2019

May 7, 2019 - Wolters Kluwer today reports that it has repurchased 40,511 of its own ordinary shares in the period from May 2, 2019, up to and including May 6, 2019, for €2.5 million and at an average share price of €61.35.

A third-party engagement to repurchase €40 million in shares starting February 22, 2019, up to and including May 6, 2019, has hereby been fulfilled.

These repurchases are part of the share buyback program announced on February 20, 2019, under which we intend to repurchase shares for up to €250 million during 2019.

The cumulative amounts repurchased to date under this program are as follows:

Share Buyback 2019

Period	Cumulative shares repurchased in period	Total consideration (€ million)	Average share price (€)
2019 to date	667,766	40.0	59.89

Repurchased shares are added to and held as treasury shares and will be used for capital reduction purposes or to meet obligations arising from share-based incentive plans.

Forward-looking Statements and Other Important Legal Information

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This press release contains information which is to be made publicly available under Regulation (EU) 596/2014.
