The Offer price is fifteen euros (€15) per Share (the “**Offer Price**”). The Offer Price is the same as that paid in cash by the Offeror in connection with the Acquisitions and the DL Contribution (as defined below).

The Shares are admitted to trading on compartment B of the Euronext Paris regulated market (“**Euronext Paris**”) under ISIN code FR0014003FE9, mnemonic “BLV”.

Such 69,835,174 Shares and 80,686,494 voting rights represent 71.88% of the share capital and 71.00% of the theoretical voting rights of the Company<sup>1</sup> as of the date of the Draft Offer Document.

Founded in 2005 by Mr. Denis Ladegaillerie, the Group grew in the recorded music sector and quickly began making catalogs of music available for download on digital platforms (Apple Music, Fnac, Virgin). Believe is now one of the world's leading digital music companies. In 2021, Believe took the next step in its development by going public.

The Consortium is willing to support the Company so that it can better execute on its value-creation plan and accelerate the scale-up of an independent player supporting artists and label clients. The Offer relies on an organic and inorganic growth and investment plans with a view to allow the Group to further grow and consolidate its position as leader in the French and European markets. The Offeror believes that the Group should lead the current market consolidation, backed by reputable long-term investors willing to fuel the Group's growth.

On 11 February 2024, TCV Luxco XI 002 S.à r.l., a private limited liability company (*société à responsabilité limitée*), incorporated under the laws of the Grand Duchy of Luxembourg, whose registered office is at 35 Avenue Monterey, L-2163 Luxembourg, Grand Duchy of Luxembourg, and registered with the Luxembourg trade and companies register (*Registre de Commerce et des Sociétés*), under number BB266816 ("**TCV Luxco 1**"), TCV XII Master Luxco S.à r.l., a private limited liability company (*société à responsabilité limitée*), incorporated under the laws of the Grand Duchy of Luxembourg, whose registered office is at 35 Avenue Monterey, L-2163 Luxembourg, Grand Duchy of Luxembourg, under number B284493 ("**TCV Luxco 2**", together with TCV Luxco 1, the "**TCV Luxcos**"), EQT X Investments S.à r.l., a private limited liability company (*société à responsabilité limitée*), organized under the laws of Luxembourg, whose registered office is at 51A, Boulevard Royal, 2449 Luxembourg, Luxembourg, and registered with the Luxembourg trade and companies register (*Registre de Commerce et des Sociétés*), under number B262548 ("**EQT**"), Mr. Denis Ladegaillerie and Upbeat MidCo S.à r.l. As described further in Section 1.3.1 (*Consortium and Investment Agreement*) of the Press Release, the TCV Luxcos and EQT will finance the Offer through shareholder loans cascading down to the Offeror, which will subsequently be capitalized at the level of Upbeat MidCo and the Offeror, in consideration for new ordinary shares issued by Upbeat MidCo on the one hand and the Offeror on the other hand.

#### 1.1.6 Regulatory administrative and antitrust approvals

The Offer is not subject to any requirement to obtain regulatory approvals.

#### 1.2.1. Industrial, commercial and financial strategy

---

<sup>11</sup> The number of 103,180,895 theoretical voting rights results from the loss of 19,851,320 theoretical voting rights following the completion of the DL Contribution and the vesting on May 14, 2024 of 388,112 Free Shares granted by the Company under a Free Shares Plan.

***This press release does not constitute a tender offer. The offer and the draft offer document remain subject to review by the AMF.***

In case of discrepancy between the French and English version, the French version shall prevail***

The Offeror intends to maintain the Group's integrity, and, with the support of the current management team, to continue the main strategic orientations implemented by the Company and does not intend to modify the operational model of the Company, outside the normal evolution of the business.

The Offeror (and, by extension, the members of the Consortium) is fully supportive of the Company's mission to develop talent (i.e. artists and labels, songwriters and publishers) and intends to pursue the Company's development with a long-term vision, in particular through the industry expertise of Mr. Denis Ladegaillerie.

The Offeror intends to carry out investments for the Group in differentiation of tech-enabled solutions for digital artists. These include, but are not limited to, investing in the data platform, marketing technologies, artist services, infrastructure tech transformation, and continued automation of the central platform to drive efficiency.

The Offeror intends to pursue a targeted value-based growth strategy to drive market share gains and operating leverage, including investing to drive net margin growth through premium tech-enabled services, as well as optimising the operating margin through positioning, pricing and automation. The Group's efforts and investments would be focused on certain key identified markets and geographies. The Offeror would in particular focus investments in Artist Services in the top 10 global music markets, in Label and Artist Solutions in the top 25 global music markets to build a targeted and optimised premium position, and building a first level of presence in Japan and the US, as well as unlocking an opportunity in publishing following the acquisition of Sentric in 2023.

As the Group has demonstrated capacity to drive synergies and create value through its historical M&A track-record, the Offeror intends to support a targeted bolt-on M&A strategy, to be financed through a combination of debt and/or additional capital injection to drive the ongoing industry consolidation.

### **1.2.2. Intentions regarding employment**

The Offer forms part of a plan in which the Company's business activities and development are to continue. As a result, the Offer should not in itself result in any particular impact on the Company's workforce, wage policy or human resource management policy.

The Offeror intends to set up a profit-sharing plan on terms customary for this type of transaction, which have not yet been determined.

### **1.2.3. Composition of the Company's governing bodies and management**

The Offeror intends to modify the composition of the Company's board of directors to reflect the fact that it controls the Company. In accordance with the agreement entered into with Ventech and XAnge, they have agreed to resign from their respective positions as member of the Company's board of directors and observer. This agreement also provides that the Offeror may propose the identity of a new member of the Company's board of directors who may be co-opted following these resignations. The Offeror therefore intends to propose the co-option to the Company's board of directors of a director whose identity has yet to be determined.

### **1.2.4. Interest of the Offer for the Offeror, the Company and its shareholders**

The Offeror is offering the Company's shareholders who tender their Shares to the Offer the opportunity to obtain immediate liquidity at an attractive price.

The Offer Price of fifteen euros (€15) per Share announced and then confirmed by the press release of 12 February 2024, reflects a premium of 21% over the last trading price prior to the announcement of the Offer on 9 February

The Offeror adhered to the Consortium and Investment Agreement on March 13, 2024. The Consortium and Investment Agreement was amended by the parties on April 16, 2024 to reflect the fact that the Consortium announced on April 12, 2024 that it no longer intended to request a squeeze-out following the Offer.

The terms of the Consortium and Investment Agreement as amended are further detailed below.

BidCo and Mr. Denis Ladegaillerie accordingly entered into (i) a binding share purchase agreement on April 25, 2024, which reflects the terms of the agreements relating to the TCV Acquisition and the Ventech and XAnge Acquisition, and (ii) the Contribution Agreement (as such term is defined below) on April 25, 2024.

The main terms of the Co-Investment Term Sheet are summarised below.

(a) Governance

The Offeror is a French simplified joint stock company (*société par actions simplifiée*) governed by a president (*président*), under the control of a board of directors (the "**Board**"). The Board will be composed of a maximum of six (6) directors appointed by the general meeting of the shareholders of the Offeror, as follows:

- one (1) independent director among the candidates selected by the TCV Luxcos, EQT, and Mr. Denis Ladegaillerie (the "**Independent Director**").

Decisions of the Board shall be validly adopted by simple majority of the votes cast with each director having one vote, except for certain fundamental decisions requiring the unanimous vote of the TCV Directors, the EQT Directors and the Founder Director, and for certain strategic decisions requiring the positive vote of the TCV Directors and the EQT Directors.

(b) Transfer of the securities

The following provisions are applicable to the transfer of the securities of the Offeror:

- lock-up period: all shareholders of the Offeror shall be prohibited from transferring their shares, except with regards to customary free transfers or transfers in the context of a sale of securities to a third party or an IPO;
- drag-along right: all shareholders of the Offeror will be subject to customary drag-along rights in the event of a sale that is approved by EQT and the TCV Luxcos, or as the case may be, EQT or the TCV Luxcos, provided that certain financial conditions are met as the case may be, depending on the timing of the exit; and
- tag-along right: all shareholders of the Offeror will benefit from (i) a proportional tag along right in the event of a transfer of securities of the Offeror not resulting in a change in control and (ii) a total tag along right in the event of a transfer of securities of the Offeror resulting in a change in control.

(c) Exit clauses

The following provisions are applicable to an exit:

#### **1.3.4. Undertakings to tender Shares in the Offer**

***This press release does not constitute a tender offer. The offer and the draft offer document remain subject to review by the AMF.***

***Translation for information purposes only***

***In case of discrepancy between the French and English version, the French version shall prevail***

On February 11, 2024, certain shareholders undertook *vis-à-vis* the Offeror to tender their Shares to the Offer, representing a maximum of approximately 3.02% of the share capital of the Company<sup>13</sup> at the Offer Price.

These undertakings are revocable if a competing tender offer has been declared compliant by the AMF and opened, and if the Offeror (or one of its affiliates) does not file or announce its intention to file a competing improved tender offer within fifteen trading days from the opening of such competing tender offer.

### **1.3.5. Acquisitions**

On 11 February 2024, TCV Luxco BD, as seller, and Upbeat MidCo, as purchaser, entered into a share purchase agreement in relation to the sale of 39,942,982 Shares, representing approximately 41.11% of the share capital of the Company at a price of fifteen euros (€15) per Share. Pursuant to an agreement dated March 14, 2024, BidCo was substituted for Upbeat MidCo as purchaser for the purposes of such share purchase agreement.

On the same day, Ventech and XAnge, as sellers, and Upbeat MidCo, as purchaser, entered into a share purchase agreement in relation to the sale of a total of 17,790,872 Shares, representing approximately 18.31% of the share capital of the Company at a price of fifteen euros (€15) per Share. Pursuant to an agreement dated March 14, 2024, BidCo was substituted for Upbeat MidCo as purchaser for the purposes of such share purchase agreement.

The completion of the TCV Acquisition and the Ventech and XAnge Acquisition was subject to the receipt of the required antitrust approvals (or confirmation that no regulatory approval was required) from the Austrian and German antitrust authorities. Such clearances were received respectively on March 27 and March 15, 2024.

BidCo and Mr. Denis Ladegaillerie have also entered into a binding share purchase agreement dated April 25, 2024 in relation to the sale of 1,250,000 Shares held by Mr. Denis Ladegaillerie to BidCo, representing 1.29% of the share capital of the Company at a price of fifteen euros (€15) per Share.

These agreements also include an undertaking by BidCo not to file the Offer at a price higher than the Offer Price. In the event that BidCo files the Offer at a price higher than the Offer Price, BidCo undertakes to pay the sellers the product of (i) the difference between the price per Share offered under the Offer and fifteen euros (€15), multiplied by (ii) the number of Shares sold by each seller under the Acquisitions.

The Acquisitions were also subject to the condition precedent of the issuance of a fairness opinion by the independent expert confirming the fairness of the tender offer, and the issuance of an opinion by the board of directors of the Company recommending the proposed offer. In accordance with the terms of these agreements, BidCo will pay the purchase price for the Acquisitions on the first business day following the closing of the Offer.

### **1.3.6. Other agreements of which the Offeror is aware**

With the exception of the agreements described in this Section 1.3 (*Agreements that may have a significant impact on the assessment or outcome of the Offer*) of the Press Release, the Offeror is not aware of any other agreement that could have an impact on the assessment or outcome of the Offer.

## **2. CHARACTERISTICS OF THE OFFER**

### **2.1. Terms of the Offer**

In accordance with Article 231-13 of the AMF General Regulation, the Presenting Banks, acting as presenting institutions on behalf of the Offeror, filed the draft Offer with the AMF on April 26, 2024, in the form of a simplified tender offer for all the Shares outstanding or to be issued other than the Shares held by the Offeror (subject to the exceptions set out in Section 2.3 (*Number and nature of the Shares targeted by the Offer*) of the Press Release), i.e., a maximum of 30,790,568 Shares.

In the context of the Offer, which will be carried out in accordance with the simplified procedure in accordance with the provisions of Articles 233-1 *et seq.* of the AMF General Regulation, the Offeror irrevocably undertakes to the Company's shareholders to acquire all the Shares that will be tendered in the Offer, during the Offer period, at the Offer Price, i.e., fifteen euros (€15) per Share.

The attention of the Company's shareholders is drawn to the fact that, as the Offer will be conducted following the simplified procedure, it will not be reopened following the publication of the result of the Offer by the AMF.

BNP Paribas, as guaranteeing bank, guarantees the content and irrevocable nature of the commitments made by the Offeror as part of the Offer, in accordance with the provisions of Article 231-13 of the AMF General Regulation.

### **2.2. Adjustment of the terms of the Offer**

Any distribution of a dividend, interim dividend, reserve, share premium or any other distribution (in cash or in kind) decided by the Company where the ex-date or any share capital reduction would occur before the closing of the Offer, shall give rise to the adjustment, on a euro-for-euro basis, of the price per Share proposed in the context of the Offer.

### **2.3. Number and nature of the Shares targeted by the Offer**

As of the date of the Draft Offer Document, BidCo holds 69,835,174 Shares and 80,686,494 voting rights, of which 10,851,320 Shares and 21,702,640 voting rights are assimilated to shares held by BidCo pursuant to Article L. 233-9 of the French Commercial Code, as a result of an irrevocable undertaking by Mr. Denis Ladegaillerie to contribute these shares to BidCo on the first business day following the closing of the Offer, in accordance with the terms of the Contribution Agreement which are further described in Section 1.3.2 (*Contribution Agreement*) of the Press Release.

Such 69,835,174 Shares and 80,686,494 voting rights represent 71.88% of the share capital and 71.00% of the theoretical voting rights of the Company<sup>14</sup> as of the date of the Draft Offer Document.

The Offer targets all Shares, whether outstanding or to be issued, that are not held, directly or indirectly, by the Offeror, i.e., the Shares:

---

<sup>14</sup> On the basis of a share capital comprising 97,161,351 Shares and a total number of 113,644,103 theoretical voting rights resulting from the loss of 37,594,402 theoretical voting rights following completion of the Acquisitions and including the double voting rights attached to the Shares which are the object of the DL Contribution (it being specified that these double voting rights will be lost following completion of the DL Contribution).

- which are already issued, i.e., a maximum of 27,235,886 Shares (excluding Shares held in treasury by the Company, the board of directors having decided not to tender them to the Offer), and
- which could be issued before the closing of the Offer as a result of:
  - i. the exercise of 1,024,257 BSPCE (as defined in Section 2.5 (*Situation of the holders of BSPCE and/or Warrants*) of the Press Release) granted by the Company under the BSPCE Plans (as defined in Section 2.5 (*Situation of the holders of BSPCE and/or Warrants*) of the Press Release), i.e., to the knowledge of the Offeror and as of the date of April 24, 2024, a maximum of 2,650,182 Shares,
  - ii. the exercise of 258,194 Warrants (as defined in Section 2.5 (*Situation of the holders of BSPCE and/or Warrants*) of the Press Release) granted by the Company under the Warrants Plans (as defined in Section 2.5 (*Situation of the holders of BSPCE and/or Warrants*) of the Press Release), i.e., to the knowledge of the Offeror and as of the date of April 24, 2024, a maximum of 516,388 Shares, and
  - iii. the vesting of 388,112 Free Shares granted by the Company under Free Shares Plans (as such terms are defined in Section 2.4 (*Situation of the beneficiaries of Free Shares*) of the Press Release),

except for:

- the Shares held in treasury by the Company, i.e., to the knowledge of the Offeror and as of the date of the Draft Offer Document, 90,291 Shares, and
- the 2,031,919 Unvested Free Shares (as defined in Section 2.4 (*Situation of the beneficiaries of Free Shares*) of the Press Release),

i.e., to the knowledge of the Offeror as of April 24, 2024, a maximum number of 30,790,568 Shares.

To the knowledge of Offeror, as of date of the Draft Offer Document, except for the Free Shares granted by the Company, the BSPCE and the Warrants, there are no other equity securities or other financial instruments issued by the Company or rights conferred by the Company that may give access, immediately or in the future, to the share capital or voting rights of the Company.

#### **2.4. Situation of the beneficiaries of Free Shares**

To the knowledge of the Offeror, as of date of the Draft Offer Document, the Company has set up several plans (the “**Free Shares Plans**”) for the allocation of free shares for certain employees and/or corporate officers of the Company and its Group (the “**Free Shares**”).

It is specified that each Free Shares Plan provides that if during the vesting period a tender offer is initiated on the Shares, the board of directors of the Company may amend the performance conditions or remove any presence or performance condition and accelerate the vesting period, provided that the Free Shares have vested for a minimum period of 2 years.

The main characteristics of the Free Shares Plans as of April 24, 2024 are described in Section 2.4 of the Draft Offer Document.

***This press release does not constitute a tender offer. The offer and the draft offer document remain subject to review by the AMF.***

***Translation for information purposes only***

***In case of discrepancy between the French and English version, the French version shall prevail***

The acceleration of the vesting period, decided by the Company's board of directors on April 18, 2024, enables the relevant beneficiaries of Free Shares to tender their Shares to the Offer. Such acceleration of the vesting period shall concern the Free Shares granted under AP 2021 (dated 15 September 2021), i.e., a total number of 388,112 Shares based on the assessment of the performance conditions by the Company's board of directors. These 388,112 Free Shares remain subject to a presence condition. Such vesting shall take place on May 14, 2024.

As of the date of the Draft Offer Document and to the Offeror's knowledge, a maximum of 2,031,919 Free Shares (if the outperformance conditions are met, or 1,732,758 Free Shares if these conditions are not met) are vesting and shall remain so until the estimated closing date of the Offer (the "**Unvested Free Shares**"). The Unvested Free Shares are not included in the Offer (subject to the cases of lifting of unavailability provided for by the applicable legal or regulatory provisions).

## **2.5. Situation of the holders of BSPCE and/or Warrants**

To the knowledge of the Offeror and as of the date of the Draft Offer Document, the Company has set up several plans for the allocation of founder's share subscription warrants (*bons de souscription de parts de créateur d'entreprise*) (the "**BSPCE**") and share subscription warrants (*bons de souscription d'actions*) (the "**Warrants**") for certain employees and/or corporate officers of the Company and its Group.

It is specified that, following the division of the par value of the share decided by the shareholders' general meeting on 25 May 2021, each BSPCE and Warrant now gives the right to subscribe to two new ordinary shares of the Company, except for the BSPCE allocated under "BSPCE 2012" plan, where each BSPCE gives right to twenty Shares.

The main characteristics of the BSPCE allocation plans (the "**BSPCE Plans**") and the Warrants allocation plans (the "**Warrants Plans**") as of April 24, 2024 are described in Section 2.5 of the Draft Offer Document.

As of the date of the Draft Offer Document and to the knowledge of the Offeror, 1,024,257 BSPCE and 258,194 Warrants are outstanding. The BSPCE and the Warrants may be exercised until their expiry, set at ten (10) years from their allocation. None of the outstanding BSPCE and Warrants are subject to the expiry of a lock-up period.

Neither the BSPCE nor the Warrants may be tendered to the Offer as they are not transferable.

As the terms and conditions of the Warrants and BSPCE plans were determined prior to the Company's IPO, they provided that the Warrants plans "BSA 2016-1", "BSA 2016-2" and "BSA 2018-1" and the BSPCE plans "BSPCE 2016-1", "BSPCE 2016-2", "BSPCE 2018-1" and "BSPCE 2019-1" would lapse upon the occurrence of a "Liquidity Event". As the Shares have been negotiable at any time since the Company's IPO, the Company's board of directors decided on April 18, 2024 (i) to consider that all references in the terms and conditions of the Warrants 2016-1, 2016-2 and 2018-1 and BSPCE 2016-1, 2016-2, 2018-1 and 2019-1 to a "Liquidity Event" should be considered null and void and therefore deleted, and (ii) to note that the Warrants and BSPCEs will therefore remain exercisable until their expiry date.

As a result of such decision, 1,024,257 BSPCE and 258,194 Warrants are exercisable prior to the closing of the Offer:

As set out in Section 2.3 (*Number and nature of the Shares targeted by the Offer*) of the Press Release, the Shares issued before the closing of the Offer as a result of the exercise of outstanding BSPCE and Warrants may be tendered to the Offer by their holders, i.e., a maximum of 3,166,570 Shares.

## **2.6. Terms and conditions of the Offer**

In accordance with Article 231-13 of the AMF General Regulation, the Presenting Banks, acting on behalf of the Offeror, filed the Offer and the Draft Offer Document with the AMF on April 26, 2024. A notice of filing of the Offer will be published by the AMF on its website ([www.amf-france.org](http://www.amf-france.org)) on the same day.

This Offer and the Draft Offer Document remain subject to review by the AMF.

The AMF will publish on its website a clearance decision of the Offer after having verified its conformity with the legal and regulatory applicable provisions. Pursuant to the provisions of Article 231-23 of the AMF General Regulation, this clearance decision will serve as the approval (“*visa*”) of the Offer document of the Offeror.

The Offer document having thus received the AMF’s approval (“*visa*”) will, in accordance with the provisions of Article 231-27 of the AMF General Regulation, be made available to the public free of charge, no later than the day before the opening of the Offer, at the Offeror’s registered office and at the Presenting Banks. This document will also be published on the websites of the AMF ([www.amf-france.org](http://www.amf-france.org)) and of the Company ([www.believe.com](http://www.believe.com)).

In accordance with Article 231-28 of the AMF General Regulation, the document containing “Other Information” relating to the legal, financial, accounting and other characteristics of the Offeror will be made available to the public free of charge, no later than the day before the opening of the Offer, at the Offeror’s registered office and at the Presenting Banks. This document will also be published on the websites of the AMF ([www.amf-france.org](http://www.amf-france.org)) and of the Company ([www.believe.com](http://www.believe.com)).

In accordance with Articles 231-27 and 231-28 of the AMF General Regulation, press releases specifying the details for obtaining or consulting these documents made available to the public will be published, no later than the day before the opening of the Offer, on the website of the Company ([www.believe.com](http://www.believe.com)).

Prior to the opening of the Offer, the AMF will publish a notice of opening and the timetable with respect to the Offer, and Euronext Paris will publish a notice setting out the content of the Offer and specifying the timetable and terms of its realization.

## **2.7. Procedure for tendering Shares in the Offer**

The Shares tendered in the Offer must be freely negotiable and free from any lien, pledge, collateral or other security interest or restriction of any kind on the free transfer of their ownership. The Offeror reserves the right to reject any Shares tendered in the Offer that do not comply with this condition.

The Offer and all related agreements are subject to French law. Any dispute or litigation, regardless of the subject matter or basis, relating to the Offer shall be brought before the court having jurisdictions.

The Offer will be open for a period of fifteen (15) trading days. The attention of the Company’s shareholders is drawn to the fact that, as the Offer will be conducted following the simplified procedure, in accordance with the provisions of Articles 233-1 *et seq.* of the AMF General Regulation, the Offer will not be reopened following the publication of the result of the Offer by the AMF.

***This press release does not constitute a tender offer. The offer and the draft offer document remain subject to review by the AMF.***

***In case of discrepancy between the French and English version, the French version shall prevail***

The Shares held in registered form will have to be converted into bearer form in order to be tendered in the Offer. Accordingly, holders of Shares held in registered form who would like to tender their Shares in the Offer should request, as soon as possible, the conversion of their Shares into bearer form in order to tender them in the Offer.

The shareholders of the Company whose Shares are registered with a financial intermediary and who would like to tender their Shares in the Offer must submit to their financial intermediary holding their Shares a tender or sale order at the Offer Price, i.e., fifteen euros (€15) per Share, by using the form made available to them by such financial intermediary in time for their order to be executed and at the latest on the closing date of the Offer, specifying whether they opt either for the sale of their Shares directly on the market or for the tender of their Shares in the semi-centralised Offer by Euronext Paris in order to benefit from the Offeror reimbursing the brokerage fees by the Offeror under the conditions described in Section 2.12 (*Reimbursement of brokerage fees*) below.

#### *Procedure for tendering Shares in the Offer directly through the market*

Believe's shareholders wishing to tender their Shares in the Offer through the market sale procedure must submit their sale order no later than the last day of the Offer and the delivery-settlement of the Shares sold will occur on the second trading day following the day of execution of the orders, it being noted that the trading costs (including brokerage fees and related VAT) relating to such transactions will remain entirely at the expense of the shareholder selling directly on the market.

BNP Paribas, an investment services provider duly authorised as a member of the stock market, will acquire, on behalf of the Offeror, the Shares that will be sold on the market in accordance with applicable regulations.

It should also be noted that the Offeror may acquire Shares in the Offer by way of off-market purchases.

#### *Procedure for tendering Shares in the semi-centralised Offer*

Believe shareholders wishing to tender their Shares in the semi-centralised Offer by Euronext Paris must submit their tender order no later than the last day of the Offer (subject to specific time limits for certain financial intermediaries). The settlement-delivery will then occur after completion of the semi-centralisation transactions.

In this context, the Offeror will bear the shareholders' brokerage fees under the conditions described in Section 2.12 (*Reimbursement of brokerage fees*) below.

Euronext Paris will pay directly to the financial intermediaries the amounts due for the reimbursement of the fees mentioned below, as from the settlement-delivery date of the semi-centralisation.

Except as set out below, no costs will be reimbursed nor fees paid by the Offeror to any intermediary or person soliciting the tendering of Shares in the Offer, or holder who tendered Shares in the Offer.

Holders who sell their Shares directly on the market will not be entitled to the aforementioned reimbursement of brokerage fees (and related VAT).

## **2.13. Offer restrictions outside of France**

The Offer has not been subject to any application for registration or approval by any financial market regulatory authority other than the AMF and no measures will be taken in this respect.

The Offer is therefore made to shareholders of the Company located in France and outside France, provided that the local law to which they are subject allows them to take part in the Offer without requiring that the Offeror complete additional formalities.

Publication of the Draft Offer Document, the Offer, the acceptance of the Offer and the delivery of the Shares may, in certain jurisdictions, be subject to specific regulations or restrictions. Accordingly, the Offer is not directed at persons subject to such restrictions, either directly or indirectly, and must not be accepted from any jurisdiction where the Offer is subject to restrictions.

Neither the Draft Offer Document nor any other document relating to the Offer constitutes an offer to sell or acquire financial instruments or a solicitation of such an offer in any jurisdiction in which such an offer or solicitation would be unlawful, could not validly be made, or would require the publication of a prospectus or the completion of any other formality under local financial law. Holders of Shares located outside of France may only participate in the Offer to the extent that such participation is permitted under the local law to which they are subject.

Accordingly, persons in possession of the Draft Offer Document are required to obtain information regarding any applicable local restrictions and to comply with such restrictions. Failure to comply with such restrictions may constitute a violation of applicable securities laws.

The Offeror shall not be liable for any breach by any person of any applicable legal or regulatory restrictions.

The Offer is made for the securities of Believe, a company organized under French law, and is subject to French disclosure and procedural requirements, which are different from those of the United States. Shareholders in the United States are advised that the securities of Believe are not listed on a U.S. securities exchange and that Believe is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934, as amended (the “**U.S. Exchange Act**”), and is not required to, and does not, file any reports with the U.S. Securities and Exchange Commission (the “**SEC**”) thereunder.

The Offer is made in the United States pursuant to Section 14(e) and Regulation 14E of the U.S. Exchange Act, subject to exemptions provided by Rule 14d-1(c) under the U.S. Exchange Act for a Tier I tender offer (the “**Tier I Exemption**”), and otherwise in accordance with the disclosure and procedural requirements of French law, including with respect to withdrawal rights, the offer timetable, settlement procedures, waiver of conditions and timing of payments, which are different from those applicable under U.S. domestic tender offer procedures and law. Holders of securities of Believe domiciled in the United States (the “**U.S. Holders**”) are encouraged to consult with their own advisors regarding the Offer.

The Offer is made to the U.S. Holders on the same terms and conditions as those made to all other shareholders of Believe to whom an offer is made. Any information documents, including the Draft Offer Document, are being disseminated to U.S. Holders on a basis comparable to the method pursuant to which such documents are provided to Believe’s other shareholders.

As permitted under the Tier I Exemption, the settlement of the Offer is based on the applicable French law provisions, which differ from the settlement procedures customary in the United States, particularly as regards to the time when payment of the consideration is rendered. The Offer, which is subject to French law, is being made to the U.S. Holders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder, in particular the Tier I Exemption. To the extent the Offer is subject to U.S. securities laws, those laws only apply to U.S. Holders and thus will not give rise to claims on the part of any other person.

It may be difficult for Believe’s shareholders to enforce their rights and any claims they may have arising under the U.S. federal or state securities laws in connection with the Offer, since Believe is located outside the United States, and some or all of its officers and directors may be residents of countries other than the United States. Believe’s shareholders may not be able to sue Believe or its officers or directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel Believe and/or its respective affiliates to subject themselves to the jurisdiction or judgment of a U.S. court.

To the extent permissible under applicable law or regulations, BidCo may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase Shares outside the United States. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. In addition, to the extent permissible under applicable law or regulation, the financial advisors to BidCo may also engage in ordinary course trading activities in securities of Believe, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law. Information regarding such purchases or agreements will be published by the AMF on its website ([www.amf-france.org](http://www.amf-france.org)).

The receipt of cash pursuant to the Offer by a U.S. Holder may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each shareholder is urged to consult an independent professional adviser regarding the tax consequences of accepting the Offer. Neither BidCo nor its directors, officers, employees or agents or any other person acting on their behalf in connection with the Offer shall be responsible for any tax effects or liabilities resulting from acceptance of this Offer.
