Communiqué

Further extension of deadline to release audited financial results

Shareholders of the Company are referred to the announcement released by Bayport on 2 May 2024 wherein the Board of Directors of the Company (the "**Board**") announced that the Stock Exchange of Mauritius Ltd ("**SEM**") approved the Company's request to extend the deadline for publishing the Company's abridged audited financial statements for the year ended 31 December 2023 and the abridged unaudited results for the three months ended 31 March 2024, until Monday, 1 July 2024.

The Board would like to apprise its shareholders and the general public that aligned to the announcement released by Bayport on 20 May 2024, the Board does not expect the audited financial statements to be released before the conclusion of discussions with creditors and expiration of the standstill agreement on 30 August 2024.

Furthermore, given the interim (quarterly) report for the three and six months ending 30 June 2023 can only be finalised following completion of the audit process, the Company will also not be in a position to publish its abridged unaudited financial statements for the said quarter within the 45-days deadline.

The SEM has accordingly granted Bayport an additional extension to publish the abridged audited financial statements for the year ended 31 December 2023, and the abridged unaudited financial statements for quarter ended 31 March 2024 and the quarter ending 30 June 2024 until Friday, 30 August 2024.
