Press Release

Weekly progress on share repurchase program to cover share plans and reduce capital

Kaiseraugst (Switzerland), Maastricht (Netherlands), April 8, 2025

dsm-firmenich, innovators in nutrition, health, and beauty, announced on February 13, 2025 its intention to repurchase ordinary shares with an aggregate market value of €1 billion and reduce its issued capital, starting with an initial €500 million. On April 1, 2025, the company commenced a program to repurchase ordinary shares for a total amount of €580 million, of which €80 million to cover commitments under the Group's share-based compensation plans and €500 million to reduce its issued capital.

In accordance with regulations, dsm-firmenich informs the market that during the period from April 1, 2025 up to and including April 4, 2025 a total number of 133,403 shares have been repurchased on its behalf. The shares were repurchased at an average price of €91.36 per share for a total amount of €12.2 million.

This €580 million share repurchase program will be completed no later than six months from the start date, and thereafter an additional €500 million share repurchase program is intended upon the completion of the sale of dsm-firmenich's stake in the Feed Enzymes Alliance.
