

Transactions in relation to share buyback program

Acting under its share buyback authorization, the GN Store Nord Board of Directors initiated a share buyback program on May 1, 2019, in accordance with article 5 of Regulation (EU) no. 596/2014 of April 16, 2014 on market abuse and Delegated Regulation (EU) no. 2016/1052 of March 8, 2016, jointly referred to as the Safe Harbor rules (company announcement no. 23 of May 1, 2019).

The share buyback program was initiated in order to reduce the company's share capital and to cover obligations under the long-term incentive program. Under the share buyback program, which runs from May 1, 2019 and will end no later than March 10, 2020, GN intends to buy back shares for an amount of up to DKK 1,000 million.
