Windhof - September 2nd, 2020

Sword Group - Latest News

- **Sword's business remains buoyant**
- **€2.40 interim dividend decided by the board**

H1-2020 Results

Confirmation of the performance during the first semester: **overall growth despite the health crisis.**

Disposal of the French Activities

The **disposal** project of our French activities in Services **will be completed by the end of September.**

Dividend

The **positive impact of this disposal operation** led the board to decide on an interim dividend of **€2.40** per share to be paid on **September 14th.**

Q3-2020 Results

The **overall Q3 trend** at the end of August **remains promising.**

Acquisition

Sword is in the process of taking a majority stake in **Lemonade Software Development.** Lemonade is a software development company devoted to assisting customers in their digital strategy, co-creating IT solutions that deliver value. Lemonade operates in Spain, Belgium and Argentina.

This operation will not significantly change our perimeter but **will bring us new skills in EU Customs and Education.**

Signatures

2 new signatures with the European Institutions:

- **New contract of €28 Million signed with the Court of Justice of the European Union.** Sword Technologies S.A., a Sword Group company, as member of the MELIUS consortium, has signed a framework contract for the operations and user support of all IT systems of the Court of Justice of the European Union.

- **A €32 Million extension of a Framework contract with the European Parliament.** Tipik SA, a Sword Group company, as member of the CronoComm consortium, has renewed a framework contract aimed at designing and producing content and publications for the internal services and the public of the European Parliament.

Increase of the backlog by €22 Million thanks to these 2 contracts.
