

PRESS RELEASE

Wolters Kluwer completes capital reduction

Alphen aan den Rijn – September 18, 2026 – Wolters Kluwer, a global leader in information solutions, software and services, announces today that it has completed the reduction in share capital approved by shareholders at the Annual General Meeting of Shareholders held on May 21, 2026.

The company confirms that 7,800,000 ordinary shares held in treasury have now been cancelled. The total number of issued ordinary shares is therefore reduced to 224,716,153 (previously 232,516,153).

Following this cancellation, the number of shares held in treasury is now 2,276,510 and, in accordance with regulatory requirements, Wolters Kluwer has notified the Dutch Authority for the Financial Markets (AFM) of the change in its issued share capital and that it currently holds 1.01% of total issued ordinary shares.

Shares repurchased by the company are added to and held as treasury shares, to be used for capital reduction purposes through share cancellation. Part of these treasury shares may be retained and used to meet future obligations under share-based incentive schemes.
