### About EXEL Industries

EXEL Industries is a French family-owned group that designs, manufactures, and markets capital equipment and provides associated services that enable its customers to improve efficiency and productivity or enhance their well-being while achieving their CSR objectives.

Driven by an innovation strategy for 70 years, EXEL Industries has based its development on innovative ideas designed to offer customers unique, efficient, competitive, and user-friendly products.

Since its inception, the Group has recorded significant growth in each of its markets through both organic growth and corporate acquisitions, underpinned by a stable shareholder base guided by a long-term development strategy.

EXEL Industries employs approximately 3,770 permanent employees spread across 33 countries and five continents. The Group posted FY 2021-2022 sales of €977 million.
