DEME LAUNCHES LIQUIDITY PROGRAM

DEME Group NV today announced the launch of a liquidity program designed to enhance the trading liquidity of its shares, reduce volatility, and improve overall market access and flexibility. The program will be managed by KBC Securities, acting as independent intermediary, and will be conducted in compliance with all applicable rules and regulations.

The liquidity program will commence on September 15, 2025.

"We are pleased to launch this program, which reflects our commitment to ensuring efficient trading conditions and supporting our shareholder base," said Stijn Gaytant, Chief Financial officer of DEME. "By facilitating liquidity, we seek to make our shares more accessible to a broad range of investors."

About DEME

DEME (Euronext Brussels: DEME) is a leading contractor in the fields of offshore energy, environmental remediation, dredging, and marine infrastructure. DEME also engages in concessions activities in offshore wind, marine infrastructure, green hydrogen, and deep-sea mineral harvesting. The company can build on nearly 150 years of experience and is a front-runner in innovation and new technologies. DEME's vision is to work towards a sustainable future by offering solutions for global challenges: climate change, a growing population and urbanization, increasing maritime trade, and environmental issues. With a team of more than 5,800 highly skilled professionals and one of the most advanced fleets in the world, DEME is well-positioned to tackle even the most complex projects. DEME realized a turnover of 4.1 billion euros with an EBITDA of 764 million euros in 2024. For more information, please visit www.deme-group.com.
