Weekly progress on share repurchase program to cover share plans and reduce capital

Kaiseraugst (Switzerland), Maastricht (Netherlands), May 12, 2026

dsm-firmenich, innovators in nutrition, health, and beauty, announced on February 9, 2026 its intention to repurchase ordinary shares with an aggregate market value of €500 million and reduce its issued capital. On March 12, 2026, the company commenced repurchasing ordinary shares for a total amount of €540 million, of which €40 million to cover commitments under the Group's share-based compensation plans and €500 million to reduce its issued capital.

In accordance with regulations, dsm-firmenich informs the market that during the period from May 4, 2026 up to and including May 6, 2026 a total number of 120,000 shares have been repurchased on its behalf. The shares were repurchased at an average price of €65.45 per share for a total amount of €7.9 million. The total number of shares repurchased under this program to date is 2,333,464 shares at an average price of €61.46 for a total consideration of €143.4 million.

The buyback of €40 million worth of shares to cover commitments under the Group's share-based compensation plans was finalized on March 23, 2026. The €500 million share repurchase program to reduce the Group's issued capital is intended to be completed by the end of Q3 2026.
