Date:
11 August 2022

H+H International A/S expects to release its interim financial report for the first six months of 2022 (“H1 2022”) on Thursday 18 August 2022.

In connection with the release of the H1 2022 Interim Financial Report, a conference call for investors and analysts is scheduled for Friday 19 August 2022 at 10:00 a.m. CEST. On the call, CEO Michael T. Andersen and CFO Peter Klovgaard-Jørgensen will present the interim financial report. The presentation will be followed by a Q&A session.

Investors and analysts are invited to participate via phone (PIN code: 275042):

DK: +45 78768490
UK: +44 2037696819
US: +1 6467870157

Other participants can follow the conference call via live webcast [here](#). The presentation slides for the conference call will be made available beforehand [here](#). A replay of the conference call will be available afterwards on H+H’s Investor Relations website [here](#).
