Basel, 9 December 2024 - Roche (SIX: RO, ROG; OTCQX: RHHBY) announced today that it has commenced a tender offer for all of the outstanding shares of common stock of Poseida Therapeutics, Inc. (Poseida) (NASDAQ: PSTX) at a price of \$9.00 per share in cash, plus a non-tradeable contingent value right (CVR) to receive certain contingent payments of up to an aggregate of \$4.00 per share in cash. These statements are based upon the current beliefs and expectations of Roche and Poseida's management and are subject to significant risks and uncertainties. There can be no guarantees that the conditions to the closing of the proposed transaction will be satisfied on the expected timetable if at all. If underlying assumptions prove inaccurate or risks or uncertainties materialize, actual results may differ materially from those set forth in the forward-looking statements, and you should not place undue reliance on these statements. The foregoing factors should be read in conjunction with the risks and cautionary statements discussed or identified in Poseida's public filings with the SEC, including the "Risk Factors" section of Poseida's Annual Report on Form 10-K for the year ended December 31, 2023 and subsequent Quarterly Reports on Form 10-Q, Form 8-K and in other filings Poseida makes with the SEC from time to time as well as the tender offer materials to be filed by Roche and its acquisition subsidiary and the Solicitation/Recommendation Statement to be filed by Poseida, in each case as amended by any subsequent filings made with the SEC.
