

ALK upgrades its full-year outlook

Inside Information

ALK (ALKB:DC / Nasdaq Copenhagen: ALK B) today announced that the 2026 full-year financial outlook has been upgraded reflecting a strong underlying momentum for tablet sales and reduced risks associated with price and rebate adjustments in 2026.

- Revenue is now expected to grow by 13-16% in local currencies (previously 11-15% growth) based on growth across all sales regions and product lines.
- The EBIT margin is now expected at around 26% (previously 25%). ALK's long-term financial ambitions remain unchanged.

The Q1 report, originally due for 5 May 2026, will be published later today, 4 May 2026. The previously announced presentation for investors and analysts will also take place today at 17.00 PM CEST. The conference call will be audio cast on <https://ir.alk.net> where the relevant presentation will be available shortly before the call begins.

To register for the conference call, please use this [link](#) and follow the registration instructions. You will receive an email from diamondpass@choruscall.com with dial-in details, including a passcode and a pin code.
