Achievements

In a declining French market, NEURONES has continued its momentum in the third quarter, in line with the start of the year.

Growth is particularly strong in the areas of Data & AI, digital projects, ITSM (Service Now) assignments and Business Process Management.

Turnover remained at a low level.

At 9.6% of revenues, the operating margin for the third quarter was up compared to the first half of the year. For the first nine months, it stood at 8.4%*.

Outlook

Given the improvement seen in the 3rd quarter, the group is now targeting annual revenues in excess of €850 million and operating profit of at least 8% for the full year.

* unaudited and after inclusion of 0.9% expenses related to bonus shares.
