

Postponement of the announcement of the Group's 2025 annual results

As announced on April 9, the Group has launched a search for a financial or industrial backer to ensure the continuity of its activity.

This search is actively ongoing and continues under the guidance of the conciliator.

In this context, Maisons du Monde is postponing the publication of its 2025 results and its annual financial report in view of a future communication from the Company on the outcome of this search for a strategic partner. This communication will take place in the coming weeks.

Maisons du Monde's teams remain fully committed to serving their customers.
