

Global Bioenergies: A Shareholders' Meeting will be held on 5 September 2019

Evry (France), 25 July 2019 - Global Bioenergies has announced that it will hold a shareholder's meeting on 5 September 2019 at 3pm at its offices located at 5, rue Henri Desbruères in Evry, France.

The agenda of this shareholder's meeting is to amend the Articles of Association in order to create the position of observer on the Board of Directors, and to appoint BOLD - Business Opportunities for L'Oréal Development to this position in accordance with the announcement made at the last fund-raising event.

This shareholders' meeting will also give the opportunity to update the usual delegations to the Board of Directors in terms of capital increase.

The notice of meeting containing details of the draft resolutions will be shortly published in the *Journal Officiel*.

About GLOBAL BIOENERGIES

Global Bioenergies is the only company in the world to have developed a conversion process for renewable resources (residual sugars, agricultural and forestry waste) into isobutene, one of the petrochemical building blocks that can be converted into ingredients for cosmetics, petrol, kerosene, LPG and plastics. Global Bioenergies continues to improve the performance of its process, conducts trials on its demo plant in Germany and is preparing the first full-sized plant in a Joint - Venture with Cristal Union. Global Bioenergies is listed on Euronext Growth in Paris (FR0011052257 – ALGBE).
