Final Terms dated 29 November 2023 Jyske Realkredit A/S LEI code: 529900R9HQNZRT2OXB26 Business Reg. No. (CVR-nr.): 13409838 ("Jyske Realkredit")

### for the issue of Covered Bonds (SDO)

These final terms ("**Final Terms**") shall only apply to Covered Bonds (SDO) issued in the ISIN code stated below ("**Bonds**"). The Bonds were issued according to Jyske Realkredit's base prospectus for the issue of Covered Bonds (SDO), Mortgage bonds ("RO") and bonds issued pursuant to Section 15 of the Danish Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act (Section 15 Bonds) dated on 29 June 2023 and any addenda to this base prospectus ("**Base Prospectus**").

Together with the terms of the bonds in the Base Prospectus section 5 "TERMS OF THE BONDS", these Final Terms constitute the terms of the issued Bonds.

The total prospectus for the Bonds consists of the Base Prospectus and the Final Terms. Definitions stated in these Final Terms shall be understood in accordance with the definitions in section 5 "TERMS OF THE BONDS" of the Base Prospectus. Definitions stated in the Base Prospectus will have the same meaning in the Final Terms unless otherwise stated by the context.

## MiFID II and UK MiFIR product governance/target market

MiFID II product governance – Retail clients, professional clients and eligible counterparties target market – solely for the purpose of the manufacturer's approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is solely eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended) ("MiFID II"), and (ii) all channels for distribution are appropriate. Any person subsequently offering, selling or recommending the Bonds (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target assessment in respect of the Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

## **Key information about the Bonds**

What are the most important characteristics of the Bonds?

The currency, nominal value and number of the Bonds

The bonds are issued in DKK with a face value of 0.01 (unit size). The bonds are fixed-rate and non-callable.

The rights associated with the Bonds.

The Bondholders will together with other holders of mortgage credit bonds and covered bonds as well as Privileged Derivative Counterparties have a primary preferential right (after deduction of expenses relating to the administration of the estate in bankruptcy and similar expenses) to all the assets in the capital centre through which the relevant ISIN code was issued, and subsequently a primary preferential right to Jyske Realkredit in general (also after deduction of expenses relating to the administration of the estate in bankruptcy and similar expenses) in pursuance of the provisions of the Danish Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act.

The relative seniority of the Bonds in the issuer's capital structure in the event of insolvency, including information of their place in the order of priority and the potential effect on the investment in the event of resolution within the framework of the BRRD directives.

If Jyske Realkredit goes bankrupt, the funds in a capital centre will be, applied - after payment of costs for administration of the estate, etc. - to payment of claims from the Bondholders as well as Privileged Derivative Counterparties with the same preferential position as the Bondholders.

Bankruptcy does not constitute an event of default The trustee in bankruptcy must to the extent possible continue to make the payments without changes. If the full amounts due cannot be paid on the due date, the Bondholders and the Privileged Derivative Counterparties shall retain their claims and preferred rights. At worst, it can only at the final statement of the estate in bankruptcy be clarified to which extent the Bondholders and Privileged Derivative Counterparties can have their unpaid claims covered. If Jyske Realkredit is under resolution within the framework of the BRRD Directives (2014/56/EU and 2019/879/EU), the resolution authority shall seek to resolve Jyske Realkredit in the most appropriate way by using the possible tools available. This may, for instance be the sale of a capital centre to a third party, transfer to a temporarily state-owned company. Mortgage credit institution and hence the Bonds are not subject to obligations to write down/convert (bail-in).
