## MASMOVIL CHOOSES SOLUTIONS 30 FOR THREE NEW REGIONS IN SPAIN

---

Masmovil, one of the main telecom providers in Spain and Portugal, has signed a new contract with Solutions 30 to provide installation and maintenance services for its high and ultra high-speed broadband subscribers in Spain.

This partnership will help Masmovil better manage its customer service operations in the Catalonia, Aragon, and Galicia regions. This new contract, worth €80 million over 4 years, will increase the volume of services that the provider entrusts to Solutions 30 across the Iberian Peninsula by 30%. As the fourth-largest provider in Spain, Masmovil offers landline, mobile, high- and ultra high-speed Internet services through several leading brands: Yoigo, Pepephone, Masmovil, Hits Mobile Lebara, and Llamay.

Julian González, Masmovil's purchasing director noted that *"Solutions 30 is one of our long-standing partners, one who has proven the quality of their services, as well as their commitment to our customers. That is why we have chosen them to help roll out our solutions in these new regions."*

Pablo San José, Telecoms Solutions VP – Solutions 30 Spain, said of this contract: *"We are very happy that Masmovil knows they can put their trust in us. With ever denser network coverage across the Iberian Peninsula and with our unique software platform for managing teams and optimizing call-outs, we intend to continue providing effective and responsive services that will help drive the company's high growth levels in these new regions."*
