

JLT Mobile Computers wins big order worth SEK 12M to leading American company in the logistics and transportation industry

Växjö, Sweden, 17 November 2021 * * * **JLT Mobile Computers**, a leading supplier of reliable computers for demanding environments, today announced that its American subsidiary has won an order worth SEK 12M for a leading logistics and transportation company in the US. The order includes JLT's latest generation vehicle-mount computer, JLT6012™ as well as service agreements and mounting equipment for the units. The company has been a JLT customer for many years. That they once again choose JLT for their new rugged computer solution is a proof that they appreciate the high-quality products and first class service from JLT. Delivery is planned for next year.
