# dsm-firmenich announces share repurchase program to cover share plans and reduce capital

Kaiseraugst (Switzerland), Maastricht (Netherlands), March 12, 2026

dsm-firmenich, innovators in nutrition, health, and beauty, today starts a new program to repurchase ordinary shares for a total amount of €540 million, of which €500 million to reduce its issued capital, and €40 million to cover commitments under the Group's share-based compensation plans.

This follows the earlier announcement on February 9, 2026, when [dsm-firmenich announced its intention to repurchase ordinary shares](#) with an aggregate market value of €500 million and reduce its issued capital.

Based on the closing price of the dsm-firmenich ordinary share on Euronext Amsterdam on March 11, 2026, the total number of ordinary shares to be repurchased under this program amounts to approximately 9.7 million shares, or 3.8% of ordinary shares issued.

The share repurchase mandate will be executed in accordance with the Market Abuse Regulation and within the limitations of the authority granted to the Board of Directors by the Annual General Meeting. dsm-firmenich will mandate a bank to execute the €540 million share repurchase program on its behalf as from today and to make trading decisions under the Agreement independently of dsm-firmenich.

In accordance with regulations, dsm-firmenich will inform the market about the progress made in the execution of this program through weekly press releases. This €540 million share repurchase program is intended to be completed by the end of Q3 2026.
