Amendment of certain final terms for exchange traded products with FX as underlying asset

Nordea Bank Abp, as the issuer, has determined that the final terms for the instruments listed in Annex 1 contain certain manifest errors. The issuer hereby uses its right under subsection (i) of Condition 18 (Modifications) in the issuer's base prospectus for the issuance of warrants & certificates (the relevant base prospectus in respect of a certain instrument is stated in the final terms for such instrument), to amend the relevant final terms in order to correct such manifest errors. Base Rate 1 and Base Rate 2, as well as the Relevant Screen Page in respect of Base Rate 1 and Base Rate 2, may reference incorrect exposures in overnight rates. In order to correct such manifest errors, the final terms of each affected instrument will be restated as follows:

Base Rate 1:

In the case of Underlying Assets which are USDSEK, SOFR.
In the case of Underlying Assets which are EURSEK, ESTER.
In the case of Underlying Assets which are CHFSEK, SARON.
