About EGIDE - Keep up to date with all the Group's news online: www.egide-group.com and [LinkedIn](#)

Egide is a group with an international dimension, specialized in the manufacture of hermetic packages and heat dissipation solutions for sensitive electronic components. It operates in cutting edge markets with strong technology barriers to entry in all critical industry segments (Thermal Imaging. Optronics. High-Frequency. Power Units...). Egide is the only pure player in this market niche with manufacturing bases in France and the United States.
