

Regulated information - inside information

Nazareth (Belgium)/Rotterdam (The Netherlands), 5 February 2026

## **Fagron obtains regulatory clearance for the acquisition of Vepakum in Brazil and completes the acquisition of Magilab in Hungary**

Additionally, the completion of Vepakum is expected to take place shortly.

Following these milestones, Injeplast and Amber remain subject to closing, together with Vepakum.

### **Vepakum**

Vepakum operates two facilities in São Paulo, Brazil, and provides high-quality packaging solutions. The acquisition will allow Fagron to enter this new vertical and deliver scale benefits through joint packaging, distribution and shared services.

### **Magilab**

Magilab is a specialized player in the hospital pharmacy segment of Hungary's compounding raw materials market. This acquisition strengthens Fagron's position in a market with high compounding per capita and supports operational leverage through integration and scale.
