

DBV Technologies Announces Closing of Global Offering

DBV Technologies (the “Company”) (Euronext: DBV – ISIN: FR0010417345 – Nasdaq Stock Market: DBVT), a clinical-stage biopharmaceutical company, today announced the settlement and delivery of an underwritten global offering of an aggregate of 6,000,000 ordinary shares reserved to specified categories of investors in (i) an offering of 2,447,500 ordinary shares in the form of 4,895,000 American Depositary Shares (ADSs) in the United States, Canada and certain other countries outside Europe, at an offering price of \$6.75 per ADS (on the basis of an exchange rate of \$1.1233 = €1.00), and (ii) a private placement of 3,552,500 ordinary shares in Europe (including France), at an offering price of €12.02 per ordinary share. The number of ordinary shares (including in the form of ADSs) sold in the global offering reflect the exercise in full of the underwriters’ option to purchase additional ordinary shares (including in the form of ADSs). The total gross proceeds from the global offering, including from the exercise of the underwriters’ option to purchase additional ordinary shares (including in the form of ADSs), were approximately \$81.0 million (€72.1 million), before deducting commissions and estimated offering expenses. Each ADS represents the right to receive one-half of one ordinary share. The ADSs are listed on the Nasdaq Global Select Market under the symbol “DBVT”, and the Company’s ordinary shares are listed on Euronext Paris under the symbol “DBV”.

Goldman Sachs & Co. LLC and Citigroup acted as joint lead book-running managers for the global offering. H.C. Wainwright & Co. acted as lead manager for the global offering.

The Company plans to use the net proceeds from the global offering, together with its existing cash and cash equivalents, to fund the development and, if approved, prepare for the commercialization of Viaskin Peanut, to advance development of the Company’s other product candidates and for working capital and general corporate purposes.

A registration statement on Form F-3, as amended, relating to the securities to be issued in the global offering was filed with the Securities and Exchange Commission and initially became automatically effective on July 27, 2016. The offering was made only by means of a written prospectus and prospectus supplement that form a part of the registration statement. A final prospectus supplement and accompanying prospectus relating to and describing the terms of the offering was filed with the Securities and Exchange Commission and is available on the Securities and

Exchange Commission's website at www.sec.gov. Copies of the final prospectus supplement and accompanying prospectus may also be obtained for free from: Goldman Sachs & Co. LLC, Attention: Prospectus Department, 200 West Street, New York, NY 10282, via telephone: 1-866-471-2526, facsimile: 212-902-9316 or via email: prospectusgroup-ny@ny.email.gs.com; or Citigroup, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York, 11717 or via telephone: 800-831-9146. No prospectus subject to approval by the French Autorité des Marchés Financiers (AMF) has been filed in France in connection with the global offering.

About DBV Technologies

DBV Technologies is developing Viaskin®, a proprietary technology platform with broad potential applications in immunotherapy. Viaskin is based on epicutaneous immunotherapy, or EPIT®, DBV's method of delivering biologically active compounds to the immune system through intact skin. With this new class of self-administered and non-invasive product candidates, the Company is dedicated to safely transforming the care of food allergic patients, for whom there are no approved treatments. DBV's food allergies programs include ongoing clinical trials of Viaskin Peanut and Viaskin Milk, and preclinical development of Viaskin Egg. DBV is also pursuing a human proof-of-concept clinical trial of Viaskin Milk for the treatment of Eosinophilic Esophagitis, and exploring potential applications of its platform in vaccines and other immune diseases. DBV Technologies has global headquarters in Montrouge, France and offices in Bagneux, France, Summit, NJ and New York, NY. The Company's ordinary shares are traded on segment B of Euronext Paris (Ticker: DBV, ISIN code: FR0010417345), part of the SBF120 index, and the Company's ADSs (each representing one-half of one ordinary share) are traded on the Nasdaq Global Select Market (Ticker: DBVT).

Forward Looking Statements

This press release contains forward-looking statements, including statements about the anticipated use of proceeds from the offering. These forward-looking statements are not promises or guarantees and involve substantial risks and uncertainties. Factors that could cause actual results to differ materially from those described or projected herein include risk associated with market and other financing conditions, risks associated with clinical trials and regulatory reviews and approvals, and risk related to the sufficiency of the Company's existing cash resources and liquidity. A further list and description of these risks, uncertainties and other risks can be found in the Company's regulatory filings with the French Autorité des Marchés Financiers and U.S. Securities and Exchange Commission, including in the Company's Annual Report on Form 20-F for the year ended December 31, 2018. Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company undertakes no obligation to update or revise forward-looking statements as a result of new information, future events or circumstances, or otherwise, except as required by law.
