

## Novozymes announces closing of transaction of majority stake in Synergia Life Sciences

Novozymes A/S has now completed the acquisition of a majority stake in Synergia Life Sciences Pte. Ltd. as initially announced on November 30, 2021, in [company announcement number 51/2021](#), following the fulfillment of all closing conditions. As a result of the acquisition, Novozymes is now the controlling shareholder in Synergia Life Sciences.

Synergia Life Sciences will be integrated into Novozymes' human health activities and sales will be reported in the Food, Beverages & Human Health segment.

#### About Novozymes

Novozymes is the world leader in biological solutions. Together with customers, partners and the global community, we improve industrial performance while preserving the planet's resources and helping to build better lives. As the world's largest provider of enzyme and microbial technologies, our bioinnovation enables higher agricultural yields, low-temperature washing, energy-efficient production, renewable fuel and many other benefits that we rely on today and in the future. We call it Rethink Tomorrow. [www.novozymes.com](http://www.novozymes.com)
