Kinnevik's ambition is to be Europe's leading listed growth investor, and we back the best digital companies to make people's lives better and deliver significant returns. We understand complex and fast-changing consumer behaviours, and have a strong and expanding portfolio in healthtech, consumer services, foodtech and fintech. As a long-term investor, we strongly believe that investing in sustainable business models and diverse teams will bring the greatest returns for shareholders. We back our companies at every stage of their journey and invest in Europe, with a focus on the Nordics, and in the US. Kinnevik was founded in 1936 by the Stenbeck, Klingspor and von Horn families. Kinnevik's shares are listed on Nasdaq Stockholm's list for large cap companies under the ticker codes KINV A and KINV B.
