

Guerbet strengthens its Executive Committee with two new appointments to accelerate its commercial and industrial development

- Dan Raffi appointed Director of Commercial Operations
- Raoul Bernhardt appointed Director of Industrial Operations

Villepinte, 10 July 2023: Guerbet (FR0000032526 GBT), a global specialist in contrast agents and solutions for medical imaging, announces the strengthening of its management team with two appointments. Dan Raffi and Raoul Bernhardt have joined the Group as Director of Commercial Operations and Director of Industrial Operations respectively. They will both become members of Guerbet's Executive Committee

Dan RAFFI - DCO Guerbet

A recognised professional in the MedTech and pharmaceutical industries, Dan Raffi brings to Guerbet more than 20 years of solid experience, notably at Allergan, in various sales management roles, and at Medtronic, where he held the role of Global Marketing Leader. More recently, Dan Raffi was Chief Operating Officer at Sim&Cure, a medtech company dedicated to the treatment of aneurysms based on artificial intelligence. In his new role, he will manage the commercial operations teams worldwide while overseeing the definition and implementation of strategic priorities for all Guerbet's commercial activities.

Raoul Bernhardt - DIO Guerbet

Raoul Bernhardt has spent his entire career in the pharmaceutical industry, including more than 20 years with major international groups such as Merck/Millipore and Alphatecspine, in a variety of roles including production management, logistics, supply chain and project management. In recent years, he has strengthened his leadership skills within the Catalent Group, where from 2014 he held various general management positions for sites and regions. At Guerbet, Raoul Bernhardt will be responsible for implementing strategic priorities in line with the industrial plan, which aims to reinforce operational excellence while optimising the cost structure.
