Current report no. 13/2022

SUBJECT: Creation of additional provisions against legal risk related to FX mortgage loans portfolio.

The Management Board of Bank Millennium S.A. ('the Bank') informs that it took a decision to create in its 1st quarter 2022 accounts, PLN 451.2 million of provisions for legal risk connected with FX mortgage loans originated by the Bank. Additional PLN 48.0 million provisions will also be created against legal risk related to the loan book originated by former Euro Bank S.A. but without a bottom line impact. The provisions reflect the continuing negative trends in court decisions, inflow of new court cases and resultant changes in the Bank's legal risk assessment methodology.

As a result of this level of provisions, despite solid operating performance, the Bank will post a negative net result for the 1st quarter of 2022.

More information about the legal risk and 1st quarter 2022 financial results will be disclosed in a periodical report scheduled for April 26, 2022.
