GreenMobility offers modern urbanites easy, flexible and sustainable transport in the form of electric, shared city cars. Users have access to these cars via the GreenMobility app. Trips are paid per-minute. Today, GreenMobility operates 400 EVs in Copenhagen; 200 EVs in Malmø and Gothenburg, and 100 cars in Aarhus together with our partner NRGi. More than 100,000 people have signed up with GreenMobility.

Driven by global megatrends, GreenMobility sees a rapidly growing market for car sharing in large cities, that demand green transport for their citizens and aim to reduce the number of private cars. GreenMobility's ambition is to be among the leading global operators of green shared mobility solutions. GreenMobility is listed on the Nasdaq First North GM in Copenhagen.
