Press Release January 15, 2021

## **Hexatronic wins submarine cable orders totalling approximately 60 MSEK**

Hexatronic Cables & Interconnect Systems AB, a wholly owned subsidiary of Hexatronic Group AB, has recently signed several agreements regarding fiber optic submarine cable. The total order value amounts to approximately 60 MSEK, which is from existing customers in Europe.

It is planned to be delivered mainly during 2022.

Hexatronic offers system solutions in submarine cables as well as in the complete fiber optic infrastructure, from development and production to delivery.

*“We are very pleased that customers that we have had for several years have confidence in us and wants us to continue to deliver submarine cables to them. Together with the orders we announced in December, we have now won submarine cable orders amounting to 175 MSEK in a short amount of time. This is a strong recognition for our broad offering in submarine cable”* says Henrik Larsson Lyon, Hexatronic’s Chief Executive Officer.
