

PRESS RELEASE

Luxembourg, 13th January 2025.

VELCAN HOLDINGS: SHARE BUYBACK PROGRAM

The share buyback program launched by the Board of Directors on 15th January 2024, in order to buy 300,000 shares of the Company, ended on 31st December 2024, by expiry of its duration as determined by the Board of Directors. As of this date the Company has bought back under this program a total of 92,892 shares for a total amount of Euros 1,281,544 in accordance with the descriptions of the buyback program published on 15th January 2024 and the resolutions of the Shareholders' General Meeting dated 29th June 2021.

The Board of Directors has decided to initiate a new share buyback program, still with the aim of buying shares of the Company from shareholders wishing to sell them, but not finding sufficient liquidity, mainly in view of their cancellation.

This document describes the share buyback program as decided by decision of the Board of Directors dated 8th January 2025.

1. Date of the Shareholders' General Meeting which has authorized the buyback program

The Company's authorization to buy back its own shares was given by the Shareholders' General Meeting held on 29th June 2021 (8th resolution). The program is implemented by decision of the Board of Directors dated 8th January 2025.

2. Break-up by objectives of the shares held as of date

As of 13th January 2025, the Company held 777,709 own shares, representing 14.41% of the share capital, of which the break-up by objective is the following:

Share cancellation	557 709
Delivery of shares towards the exercise of securities giving access to the capital	20 000
Coverage of option plans or free shares grant plans to employees and management	200 000 ¹

¹ Estimate of number of shares kept by the Company in order to cover envisaged employees' share plan. This figure could be modified depending on the allocations decided after the present release. In such case the number of shares to be cancelled would be modified accordingly.

3. Program objectives

The purpose of the buyback program is to buy back shares of the Company in view of their cancellation or to cover for new grants of free shares.

4. Maximum share of the capital, maximum number of shares, characteristics of shares to be acquired and other terms

In accordance with the limits voted in the 8th resolution of the Shareholders' General Meeting of 29th June 2021, the buyback program will be implemented under the following conditions from this day:

- the Company may acquire, from the date of this release, a maximum number of 300,000 shares representing 5.56% of the current share capital;
- the Company may carry out purchases in the market (in the order book or in block) or block transactions over the counter;
- in view of the above, the maximum total amount that the Company may allocate, from today, to the buyback of its 300,000 own shares under the program shall not exceed Euros 4,500,000, excluding acquisition costs;
- the Company's shares are ordinary shares, all of the same class, (ISIN FR0010245803);
- the acquisitions will be carried out by an independent investment services provider who will be entrusted with the task of implementing the buyback program, in the name and on behalf of the Company, according to market conditions.

5. Duration of the program

Until the 31st December 2025 included, in accordance with the authorization given at the Shareholders' General Meeting held on 29th June 2021.

6. Other information

- Liquidity contract: there is no ongoing liquidity contract as of the date of this descriptive;
- The Company will not use derivative products as part of this program.
