- Continuous support to Euronext offer with former Chair and Member of the Board of Oslo Børs Tom Vidar Tygh to join the Board of Directors of Oslo Børs VPS post-completion, subject to the usual regulatory approval

Amsterdam, Brussels, Dublin, Lisbon, London and Paris – 1 April 2019 – Euronext, the leading pan-European exchange, announced today it has received the declaration of non objection from its College of Regulators for the contemplated acquisition of up to 100% of the capital of Oslo Børs VPS. This approval further improves the certainty of execution of Euronext's acquisition of Oslo Børs VPS by meeting one of the condition precedents of Euronext's Offer, available on www.euronext.com¹.

Euronext remains convinced that it represents the most attractive strategic partner for Oslo Børs VPS and for the Norwegian financial and business community. Euronext is committed to make Oslo Børs VPS stronger and to deploy a new ambition for the Norwegian capital markets with the support of the key players of the financial community in Oslo. Euronext is pleased to announce that Tom Vidar Rygh, Senior Advisor at international private equity fund Nordic Capital and previous Chairman and Member of the Board of Oslo Børs, has accepted to join the board of Oslo Børs VPS as an independent board member when the contemplated transaction is completed, subject to the usual regulatory approval. His strong profile and connection with the Norwegian ecosystem will support Euronext's growth ambitions in the Nordics (see biography below).

In addition, Euronext amends today its Offer to acquire Oslo Børs VPS's outstanding shares by extending the Acceptance Period thereof. Following this, Euronext will continue to receive and accept tendered shares in the Offer up to 6 May 2019 at 18:00 Central European Time. All other terms of its Offer as revised on 11 February 2019¹ remain unchanged. Defined terms with capital letters herein have the meaning as in Euronext's Offer Document published on 14 January 2019.¹

Euronext reiterates that it has already secured a majority of the Oslo Børs VPS's shares, that its minimum ownership condition has therefore been fulfilled and that it will complete the transaction once regulatory clearance has been obtained. As of today, Euronext has secured 53.1% of the share capital of Oslo Børs VPS through a combination of 8.1% of shares owned directly and 45.0% of shares committed to Euronext in the form of irrevocable pre-commitments and tendered shares.

Euronext's offer is currently awaiting regulatory clearance from the Norwegian Ministry of Finance in accordance with applicable laws and regulations, which is the last major condition precedent to complete the acquisition of the majority of the Oslo Børs VPS's shares. Euronext's Reference Shareholders, who represent 23.86% of Euronext capital, have also confirmed their joint support to Euronext for this transaction.
