

## **Signature of Framework Agreement Between the Fiat Brand and the Algerian Authorities Aimed at Local Production of Vehicles and the Development of the Automotive Sector in Algeria**

AMSTERDAM, Oct. 13, 2022 – A framework agreement was signed on today in Algiers between Mr. Samir Cherfan, Chief Operating Officer of Middle East & Africa region of Stellantis, and Mr. Boussoussa Zineddine, Director of Cooperation of the Algerian Ministry of Industry. This framework agreement covers a project for the development in Algeria of industrial, after-sales and spare parts activities for Fiat, one of the emblematic brands of Stellantis, as well as the development of the automotive sector in Algeria. This ceremony was chaired by Mr. Ahmed Zaghdar Algerian Minister of Industry and Mr. Carlos Tavares Chief Executive Officer of Stellantis in the presence of the Algerian and Italian Ambassadors.

Following this signature, Mr. Carlos Tavares met the Algerian Prime Minister Mr. Aïmene Benabderrahmane.

“The signing of this framework agreement is in line with the historic place occupied by Stellantis and its brands in the Algerian automotive market,” said Stellantis CEO Carlos Tavares. “The quality of the ongoing discussions makes us confident about the development prospects of the Fiat brand, which will be keen to meet the expectations of Algerian customers.”

## FORWARD-LOOKING STATEMENTS

*This communication contains forward-looking statements. In particular, statements regarding future events and anticipated results of operations, business strategies, the anticipated benefits of the proposed transaction, future financial and operating results, the anticipated closing date for the proposed transaction and other anticipated aspects of our operations or operating results are forward-looking statements. These statements may include terms such as “may”, “will”, “expect”, “could”, “should”, “intend”, “estimate”, “anticipate”, “believe”, “remain”, “on track”, “design”, “target”, “objective”, “goal”, “forecast”, “projection”, “outlook”, “prospects”, “plan”, or similar terms. Forward-looking statements are not guarantees of future performance. Rather, they are based on Stellantis’ current state of knowledge, future expectations and projections about future events and are by their nature, subject to inherent risks and uncertainties. They relate to events and depend on circumstances that may or may not occur or exist in the future and, as such, undue reliance should not be placed on them.*

*Actual results may differ materially from those expressed in forward-looking statements as a result of a variety of factors, including: the impact of the COVID-19 pandemic, the ability of Stellantis to launch new products successfully and to maintain vehicle shipment volumes; changes in the global financial markets, general economic environment and changes in demand for automotive products, which is subject to cyclicity; changes in local economic and political conditions, changes in trade policy and the imposition of global and regional tariffs or tariffs targeted to the automotive industry, the enactment of tax reforms or other changes in tax laws and regulations; Stellantis’ ability to expand certain of their brands globally; its ability to offer innovative, attractive products; its ability to develop, manufacture and sell vehicles with advanced features including enhanced electrification, connectivity and autonomous-driving characteristics; various types of claims, lawsuits, governmental investigations and other contingencies, including product liability and warranty claims and environmental claims, investigations and lawsuits; material operating expenditures in relation to compliance with environmental, health and safety regulations; the intense level of competition in the automotive industry, which may increase due to consolidation; exposure to shortfalls in the funding of Stellantis’ defined benefit pension plans; the ability to provide or arrange for access to adequate financing for dealers and retail customers and associated risks related to the establishment and operations of financial services companies; the ability to access funding to execute Stellantis’ business plans and improve its businesses, financial condition and results of operations; a significant malfunction, disruption or security breach compromising information technology systems or the electronic control systems contained in Stellantis’ vehicles; Stellantis’ ability to realize anticipated benefits from joint venture arrangements; disruptions arising from political, social and economic instability; risks associated with our relationships with employees, dealers and suppliers; increases in costs, disruptions of supply or shortages of raw materials, parts, components and systems used in Stellantis’ vehicles; developments in labor and industrial relations and developments in applicable labor laws; exchange rate fluctuations, interest rate changes, credit risk and other market risks; political and civil unrest; earthquakes or other disasters; and other risks and uncertainties.*

*Any forward-looking statements contained in this communication speak only as of the date of this document and Stellantis disclaims any obligation to update or revise publicly forward-looking statements. Further information concerning Stellantis and its businesses, including factors that could materially affect Stellantis’ financial results, is included in Stellantis’ reports and filings with the U.S. Securities and Exchange Commission and AFM.*
